PHARMEX

What we specialize in.

Pharmex Rom Industry is a dietary supplement company that operates from our H.Q. in Bucharest, Romania

CONTRACT MANUFACTURING

ISO 22000 HACCP

- Pharmex holds an ISO 22000 certification and complies with all EU and Romanian Health regulations.

Canadian Formulas

- Our specialists create personalized formulas for partners and their needs for their specific markets.

PRIVATE LABELING

YOUR BRANDING

- We are able to create your private label in any language you want

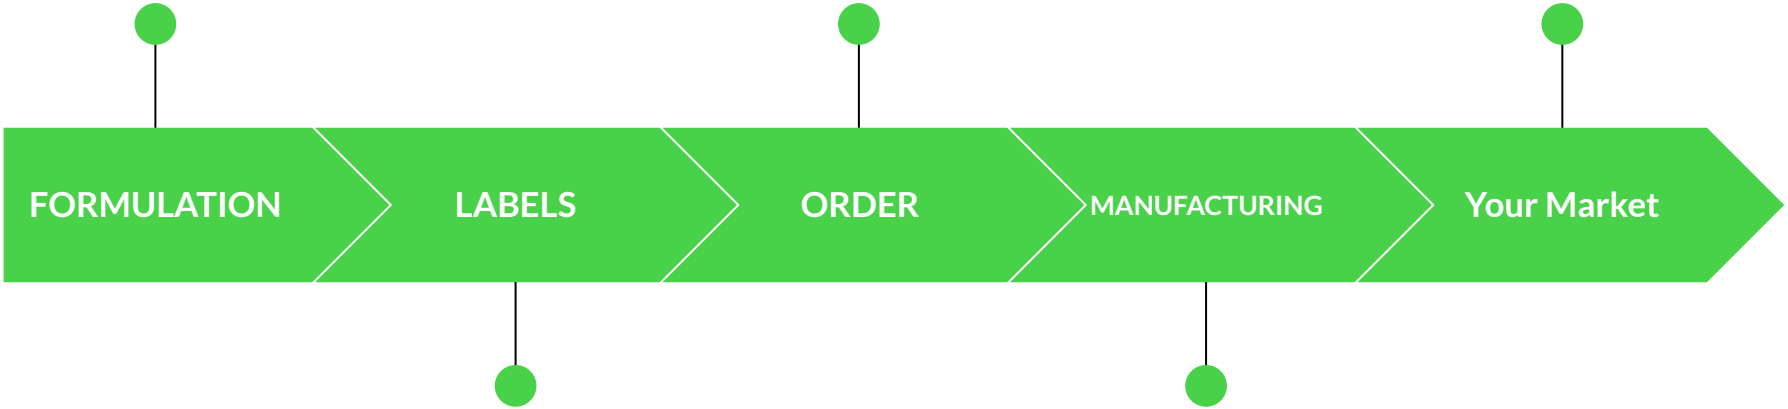

FOR YOUR MARKET

- We work with our partners to create their labels so they correspond to their national laws.

We will work with your formulas, or we can create them for you.

You place an order, the MOQ is 5000 depending on the product.

You sell your product under your brand, on your markets.

You send us your label specifications.

We produce your product.

Let’s build something together
